DATASHEET

THREE PHASE SURGE PROTECTOR - T- SP

Description

Voltage Spike Suppressor for circuit with high speed switching devices with LED Indication.

Model Number	Ordering code
T-SP-20KA	SP3P20KALED
T-SP-40KA	SP3P40KALED

Technical Specifications

Continuous Operating Voltage	440 VAC
No.of Lines	L1, L2, L3 and N
Transient protection	20kA & 40kA
Pulse Shape	8/20 μ s
Operating Temperature	-25°C to +85°C
Storage Temperature	-30°C to +85°C
Enclosures	Polyamide Nylon, PA - UL 94 V0
Power Connection	Shock Proof Connectors
Mounting	Din Rail Mounting
Failure Monitoring	LED Indication
